

Chapter 4 Training Activity - The Obvious Artist

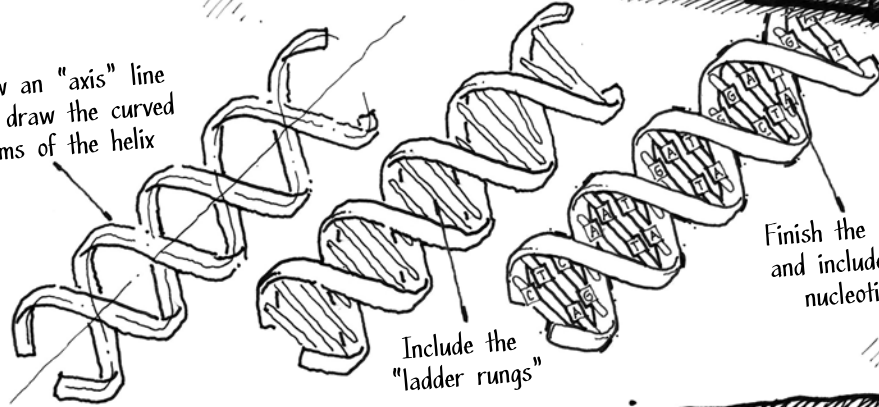

God's Crime Scene for Kids

Artists are intelligent designers. That's why we always attribute art to an intelligent source. Be an artist and draw the following objects and people by following the instructions.

DNA

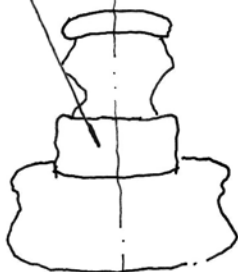

Draw an "axis" line then draw the curved arms of the helix

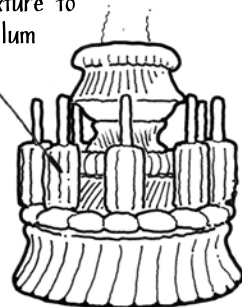

Include the "ladder rungs"

Finish the details and include the nucleotides

Draw an "axis" line and add rough shapes

Add the additional detail and texture to the Flagellum

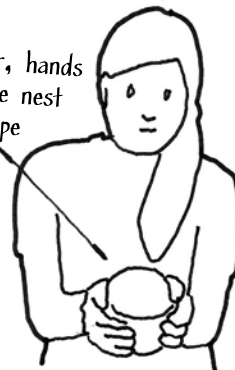

Add the additional Flagellum elements

Flagellum

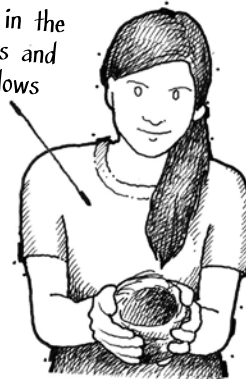

Sketch in the outline

Add hair, hands and the nest shape

Draw in the details and shadows

Jasmine
