

Chapter 4 Note Sheet - The Obvious Artist

God's Crime Scene for Kids

Fill in the diagram of Jasmine's nest adding the evidence that shows it was designed by birds:

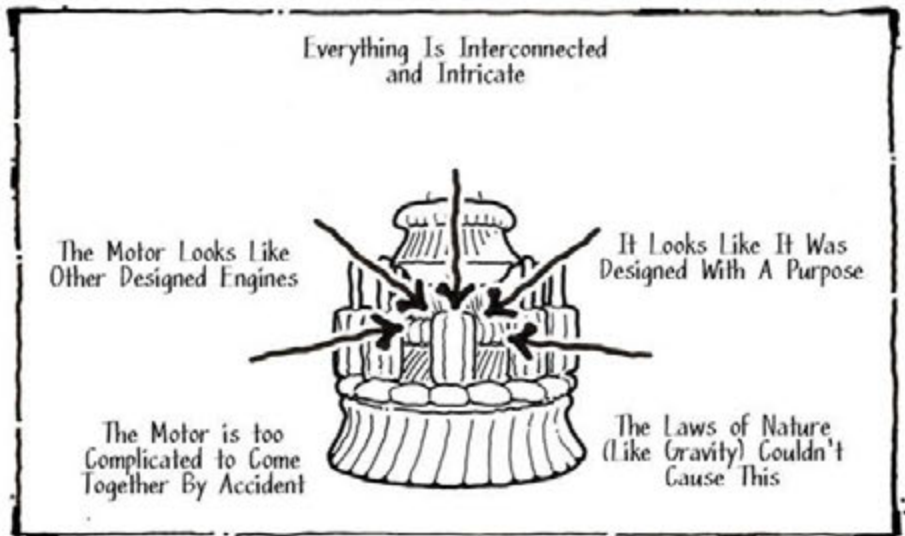

Detective Jeffries says, "OK, take a look at what we have so far, everyone. I've drawn the nest and five good pieces of _____ that indicate it was created by _____ birds - it didn't just fall into place by _____ or through some _____ law."

Jeffries draws a microscopic motor called a: _____

Practice your drawing skills:
Draw the icons for the evidence of design >

Detective Jeffries says, "There are thousands of other _____ that are just as _____ in your body, and scientists are discovering more and more every day."

Here's what we know about our 'suspect' so far:

A "Tool" For Your Detective Bag

Make "Cumulative" Cases: Be sure to "_____ " (collect) as much evidence as possible before coming to a _____, "_____ " cases (based on more than one piece of evidence), are the most reasonable and reliable,
