

Chapter 6 Training Activity - Getting Close and Getting Organized

Forensic Faith for Kids

Spot the Differences

These two drawings of Bailey may look similar, but there are six differences between them. Can you find and circle the differences? We made it even more difficult for you by flipping the images!

After you circle the the six differences between the two puppies practice your Detective skills by listing them here:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
