

# Chapter 2 Note Sheet - All Tuned Up

## God's Crime Scene for Kids

What do the cadets see when they look closely at the shoebox in the Crime Lab?  
\_\_\_\_\_

Why does Detective Jeffries say that Jason's house was "fine-tuned"?

Write in the layers of fine tuning in the diagrams:

Now think about the universe. Detective Jeffries says, "Now let's look at the three levels of fine-tuning we've discovered. Could something \_\_\_\_\_ the universe have caused everything to be \_\_\_\_\_?"

"If the fine-tuning we saw at Jason's house is evidence that Grandma Miri was involved as a \_\_\_\_\_, does that mean the fine-tuning we see in the universe is evidence of some kind of powerful \_\_\_\_\_?"

Here's what we know about our 'suspect' so far:

### A "Tool" For Your Detective Bag

**Look for Layers:** When collecting evidence to solve a mystery, \_\_\_\_\_ your evidence by \_\_\_\_\_ (if possible). The more layers you have, the better your \_\_\_\_\_.
